MY GOALS

Ko Aku Whāinga

Have you thought about what you might like to be doing in the future? What would you like to be? Write down your career goals.

Career Goals

It's OK if you don't have a definite job or career in mind right now.

Examples:

- Get an apprenticeship.
- Work with animals.
- Own my own business.
- Get a job using computers.
- Work overseas.
- Become a sports coach.
- Get a part-time job.

Think about what you might need to do to help you learn new things and develop your experience. Write down as many learning and personal goals as you like that are important to you. They could help you with reaching your career goals.

Learning and Personal Goals

Learning is not just about school work. Think about other things you might do too!

Examples:

- Achieve NCEA Level 1, 2 or 3.
- Learn te reo.
- Improve my reading and writing.
- Get my driving licence.
- Improve my confidence.
- Get work experience.
- Study at a university or polytechnic.

A goal is like a target you want to aim for.
